■ Course Information

Korean Studies(40 hours course)

This course is designed as an introductory overview of Korea. It consists of about 24 hours of lectures and 16 hours of field trips. The lectures are covering topics such as: Korean Society and History, Korean Politics and International Relations, Korean Economy and Business, Korean Culture and Art. Careful and complete readings of the assigned texts are crucial in classes. Students should complete the assigned readings before coming to class and be prepared to discuss debate, argue, analyze, question and criticize the relevant issues in class. Each Friday, students will go on a field trip to cultural and historical places such as Gyeongbokgung Palace, Demilitarized Zone(DMZ), Joint Security Area(JSA). This course will help students, who do not have prior knowledge, to understand Korea.

Korean Language(32 hours course)

This course is designed for foreign students who are not exposed to Korean language and culture to read and write Hangeul(Korean alphabet). It consists of about 24 hours of lectures and 8 hours of Korean language practice. Students are able to learn how to make daily conversations using basic grammar and useful expressions at the end of course.

*Students who wish to transfer credits are advised to consult with the appropriate academic authorities at their home university in advance.
